### Coverage for Supplier Bankruptcy or Default & Pre-Existing Conditions

**Bankruptcy or Default\*\*** benefits are available (Classic Plans Only) due to Bankruptcy or Default, as defined, of any airline, cruise line or travel provider (other than the travel agency, organization or firm from whom the insured purchased Travel Arrangements supplied by others) occurring more than 14 days after the benefit effective date, provided, 1) the insured traveler has purchased the Plan within 21 days of the date of his/her initial Trip deposit/payment; and 2) the insured insures the full cost of the Trip subject to cancellation penalties or restrictions.

**Waiver of the Pre-Existing Conditions Exclusion** - this exclusion is waived under the Classic Plans (and the Basic Plan for Florida, Kansas, Missouri, Virginia, and Washington residents only) provided:

- (a) The insured's payment for the Plan and enrollment form are received within 21 days of the date the initial Payment or Deposit for his/her Trip is received; and

### What is a Pre-Existing Condition

"Pre-Existing Condition" means an illness, disease, or other condition during the 60 day period immediately prior to the date the insured's coverage is effective for which the insured or the insured's Traveling Companion, Business Partner or Family Member scheduled or booked to travel with the insured: (1) received or received a recommendation for a test, examination, or medical treatment for a condition which first manifested itself, worsened or became acute or had symptoms which would have prompted a reasonable person to seek diagnosis, care or treatment; or (2) took or received a prescription for drugs or medicine.

Item #2 of this definition does not apply to a condition which is treated or controlled solely through the taking of prescription drugs or medicine and remains treated or controlled without any adjustment or change in the required prescription throughout the 60 day period before coverage is effective under the Plan.
